KUSHLAN PRODUCTS, LLC

The Original Wheelbarrow-style Mixer

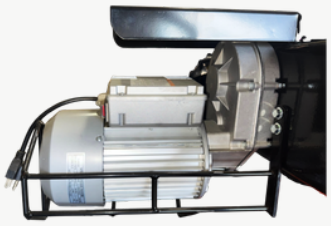
1000DD-WB
Electric Concrete Mixer

- **HEAVY DUTY POWDER COAT FINISH FRAME** for easy transport, balanced operation, and smooth dumping
- **10 CU. FT. POLYETHYLENE DRUM** for efficient, high-capacity mixing, holds up to 600 lbs per batch
- **DUAL QUICK-RELEASE LOCKING PINS** allow the handles to be easily removed for transport and storage
- **HEAVY-DUTY 3/8 IN. HARDENED BOLTS** securely attached to the drum
- **REINFORCED 1-1/2" AND 2" GAUGE STEEL TUBING** frame for strength, balance, and long-term durability
- **UL CERTIFIED** for safety and peace of mind

Low-Friction Polymer Rollers

Support smooth drum rotation with reinforced stabilizer arms that securely connect the drum to the frame for added stability.

Powerful Electric Motor



Powerful 1.5 HP, 28RPM, high torque brushless electric motor protected by a reinforced frame and top cover for long-lasting performance.

15 in. Durable Polyurethane Wheel

15 in. durable polyurethane wheel with through-axle construction for smooth transport and long service life.

SPECIFICATIONS
